Stage Set Pieces (please describe all major set pieces that will be loaded in to the theater): \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_

**Lighting:** Indicate which level of lighting support you would like provided. Lighting gels (color) are not provided by the district, clients need to bring their own. Sometimes gels are left over in the lighting instruments and can be used but this should not be expected and is not guaranteed.

Basic- User can select one lighting preset (from a limited selection) that stays on their entire event. Presets include a general wash and some minimal isolation. No other changes can be made besides house lights turning off once before the show and back on once afterwards. If something is missing no fixes can be made as a lighting technician will not be scheduled. This option is recommended for events that don't require any lighting changes. (Examples include a presentation or solo artist.)

Standard – A district lighting technician can operate presets and set up simple custom lighting in the time allotted. Designated specials can also be refocused at the client's request (last minute requests may not be accommodated). This option is recommended for events that need a greater control over the theater lighting but do not require specific details for lighting changes. (examples include music concerts; variety shows, etc.)

**Advanced** –The lighting technician can program the lighting console and make general design choices for your event. Time should be set aside during your rental to specifically focus on lighting setup and programming as it could take 2-3 hours per event. Extra time can be requested outside your event time for lighting setup as scheduling allows. It is the responsibility of the client to schedule the extra time, waiting may result in no time being available to program. This option is recommended for events where there is a specific lighting vision in mind where lighting detailed changes are required during specific points during your production. (examples include drama productions, dance showcase performances, etc. This option is dependent on staffing availability.)

Spot light (\_\_\_) – (Requires standard or advanced options; spot lights can be operated by approved clients only).

Lighting specifics: \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_

**Audio:** Indicate number needed. Number provided indicates how many available. Using any audio equipment requires an Audio tech.

Microphones – Wireless Handheld 2 (\_\_\_) Wired microphones 10 (\_\_\_) Mic Stands 6 (\_\_\_)
