

PAC EQUIPMENT FORM; Directions for use (please read):

Complete this form by circling the boxes in the row of equipment needed, within the column of the school being used. If available, a 'Y' will be indicated, if not available 'N' is indicated. If a number is indicated it means that is the total number available at that school; circle and then make a note as to how many are actually needed.

Add special instructions on each line or at bottom and turn in 30 days in advance of program. When a dollar sign is indicated it means there are associated costs for use. Email back to sender or fax to 425.456.4584.
