Choral risers and stage decorations.	
Lighting: Indicate which level of lighting support you would like provide	ded. Lighting gels (color) are not provided by the
district, clients need to bring their own. Sometimes gels are left over in the	
not be expected and is not guaranteed.	
☐ Basic - User can select one lighting preset (from a limited selection) that st	ays on their entire event. Presets include a general
wash and some minimal isolation. No other changes can be made besides hou	ise lights turning off once before the show and back or
once afterwards. If something is missing no fixes can be made as a lighting tec	chnician will not be scheduled. This option is
recommended for events that don't require any lighting changes. (Examples in	
☐ Standard — A district lighting technician can operate presets and set up s	
specials can also be refocused at the client's request (last minute requests ma	y not be accommodated). This option is recommended
for events that need a greater control over the theater lighting but do not requinclude music concerts; variety shows, etc.)	uire specific details for lighting changes. (examples
■ Advanced —The lighting technician can program the lighting console and	I make general design choices for your event. Time
should be set aside during your rental to specifically focus on lighting setup at	
Extra time can be requested outside your event time for lighting setup as sche	duling allows. It is the responsibility of the client to
schedule the extra time, waiting may result in no time being available to progr	ram. This option is recommended for events where
there is a specific lighting vison in mind where lighting detailed changes are re	equired during specific points during your production.
(examples include drama productions, dance showcase performances, etc. Th	is option is dependent on staffing availability.)
Spot light () - (Requires standard or advanced options; spot lights can be open	erated by approved clients only).
