

Brenda's Copy

Directions for Curley Creek Tyner Preserve.

Address:

3479 Locker Rd SE, Port Orchard, WA 98366 .

Directions for bus and student drop-off:

The best way to find the Curley Creek Tyner Preserve site is to look for the Roze-El Stables sign at 3479 Locker Rd SE, Port Orchard, WA 98366 . Please STOP in front of the driveway next to the Roze-El Stables sign. DO NOT pull in to the driveway. Land Labs Instructors will be waiting to receive students at the mouth of the driveway. Students will disembark the bus here and walk back to the preserve. The bus will then need to find a place to park. Last year, I believe we used Howe Farm Park (1901 Long Lake Rd SE, Port Orchard, WA 98366) about 6 minutes down the road. Claire will be in touch if there is a better parking option.

Directions for cars and personal vehicles:

The best way to find the Curley Creek Tyner Preserve site is to look for the Roze-El Stables sign at 3479 Locker Rd SE, Port Orchard, WA 98366. After you turn into the driveway head straight back towards GPC's gate (which we will leave open). You are welcome to either park near the open gate, or drive down into the preserve past the gate where we have a small parking area at the end of a short gravel road.
